Quality/Environmental Policy

Critical Link is committed to providing quality products and services with a focus on customer satisfaction and continual improvement of our products and processes.

Critical Link is committed to providing quality products and services in a manner that:

- **conserves water and energy, and reduces waste,**
- **identifies and properly handles any potentially hazardous materials, including disposal**
- **complies with appropriate environmental laws, legal and other requirements applicable to facility operation, product design and manufacturing, and**
- **flows down these expectations to parties performing work on behalf of our organization.**
